

We know the PRIMARY
COLORS

we know SECONDARIES,
too

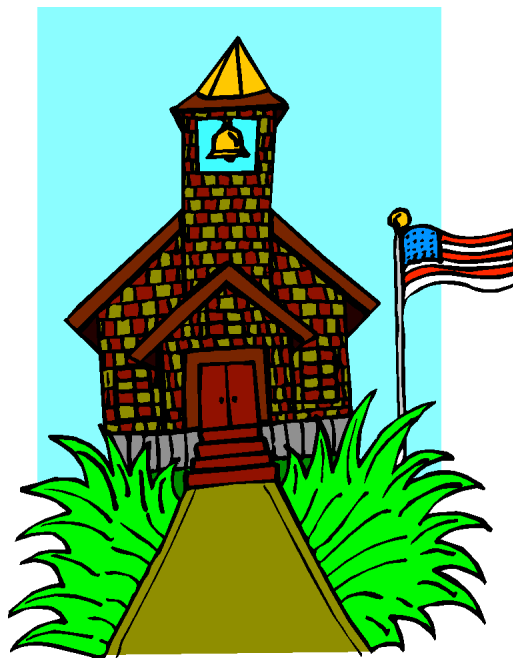

and if you need
PURPLE, ORANGE, or
GREEN we can mix
them up for you!

(refrain)

K-I-N-D-E-R-G-A-R-T-E-N

our first year of school has finally (clap) come to an end!

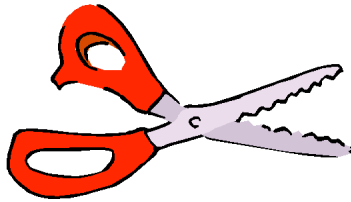

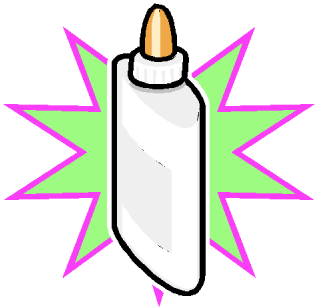

We know how to make
some PATTERNS

and a HOUSE MADE OUT
OF SHAPES!

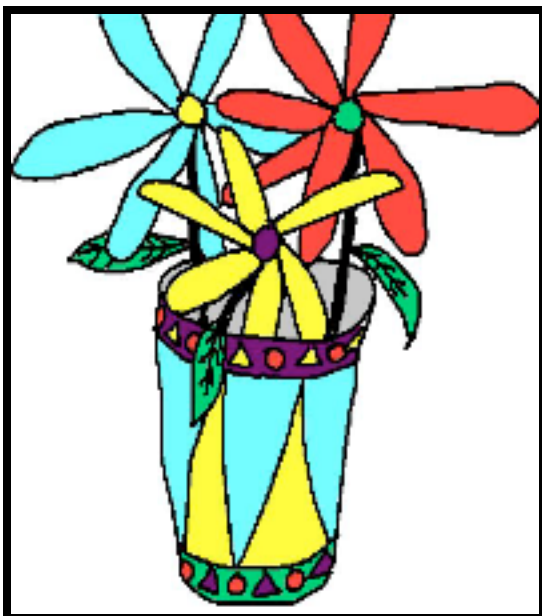

we're getting good at using our GLUE, SCISSORS, and our TAPE!

(back to refrain)

We can tell you that our
STILL LIFE is flowers in a vase

and a SELF-PORTRAIT is a
picture of our face!

(back to refrain)
